

**2017. ASEAN Herbal and Medicinal Plants Vol. 2. Mastura Mohtar, Ling Sui Kiong, Ummu Hani Badron & Rasadah Mat Ali (475 pgs)**

*The second volume of ASEAN Herbal and Medicinal Plants comprises information on vernacular, habitat, indigenous usage as well as relevant scientific data of 159 species found in ASEAN member countries. As a sequel to the first volume published in 2010, this book by itself symbolize the comradeship amongst ASEAN Herbal Expert Group members in utilization and sharing of their respective local language.*
